

Dr. Jill Bolte Taylor is a Harvard-trained neuro-anatomist is committed to educating the public about the beauty and resiliency of the human brain.

At age 37, Dr. Taylor experienced a rare form of stroke, and chronicled this experience in her recent bestselling book *My Stroke of Insight, A Brain Scientist's Personal Journey*. For the past ten years, Dr. Taylor has been successfully rebuilding her brain – from the inside out. Dr. Taylor has been recognized by *Time Magazine* as one of the 100 most influential people. She has appeared on the Oprah Winfrey Show and National Public Radio.
